

CO POST Approved Red Dot Sight (RDS) Instructor Course

Course General Learning Goals

This course is intended to provide law enforcement firearm instructors the training to successfully instruct, manage and convey proper usage and maintenance of handguns equipped with Miniature Red Dot Sights (MRDS) in a law enforcement capacity. Students will understand instructor-based use of force considerations, methodology and training liability.

Students will have the ability to develop training to successfully create transition, basic academy and in-service training while utilizing MRDS equipped handguns.

Prerequisite

- This is an instructor level course, and applicants must have completed a Colorado POST approved Handgun Instructor Program.
- Students will be given two formal attempts to pass the CO POST Qualification Course on day one. Successful completion is required to continue in the course.

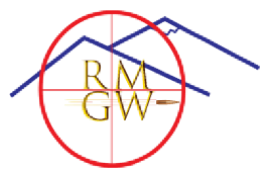

Course Outline

This course will address the following topics.

- Safety
- Ammunition Selection / Ballistic Protocol
- Agency RDS Development and Principles
 - Transition Training / In-Service Training
- Human Factors
 - Parasympathetic/Sympathetic Nervous System
- Equipment Selection
- MRDS Management and Coaching
- Weapon Mounted Light / MRDS Considerations
- Dim Light Shooting
- Use of Force Considerations / Instructor Training Liability

Equipment Requirements

- Duty handgun equipped with a MRDS / Weapon Mounted Light (WML)
- Approximately 1100 Rounds of Handgun Ammunition
- 6 Fluorescent Inert Dummy Rounds
- Duty Belt, Holster (Handgun with MRDS and WML), (3) Magazines
- Eye and Ear Protection / Ballistic Vest (Soft Armor)
- Note Taking Material / Laptop Computer (Recommended)
- Appropriate Clothing for Weather Conditions
- Accessory Considerations (Small Pack, Sunscreen etc)

Instructors

Mark Stevens

Rockymountaingunworks@q.com

(719) 499-7700

Mark served in the U.S. Army, 82nd Airborne Division, and recently retired from the El Paso County Sheriff's Office (EPSO) after 20 years of service. During that tenure, he has been a member of the EPSO Special Response Team (SRT) as well as the EPSO SWAT Team, coordinating firearms training for both units. Mark has been a Colorado POST Full Skills Firearms Instructor for 19 years, teaching basic and advanced handgun, shotgun, carbine / rifle, Designated Marksman and Red Dot User and Instructor level courses. During that time, Mark has held the position of Range Master for the EPSO and is currently the Range Master for the Pikes Peak State College Regional Law Enforcement Academy. Mark successfully implemented the MRDS system in the EPSO, making it the first large agency in Colorado to issue MRDS equipped handguns to all employees. Mark is a current member of the Colorado POST Firearms SME Committee. Mark established Rocky Mountain Gun Works, LLC in 2023 to continue providing quality firearms training to law enforcement officers.

Ed Kafel edkafel@gmail.com

(719) 338-6639

Ed retired from the U.S. Army as a Command Sergeant Major, 10th Special Forces Group, after 22 years of service and from the El Paso County Sheriff's Office (EPSO) after 22 years of service. Ed established EMK Use of Force and Training Consultation, LLC in 2019 and continues to teach law enforcement use of force, training liability, instructor methodology and human factors throughout Colorado. Ed is recognized as a law enforcement use of force expert in Colorado district and federal district courts. Ed is a Force Science Advanced Specialist, Federal Law Enforcement Training Center Use of Force Instructor as well as earning the Legal Liability Risk Management Institute's use of force certification. While employed by the EPSO, Ed was a Colorado POST Full Skills Firearms Instructor and was the chairperson of the Colorado POST Firearms SME Committee from 2009-2019. Ed is a current member of the Colorado POST Firearms SME Committee.
