

Protecting Agriculture Workshop for Colorado Law Enforcement

Tuesday October 15, 2024 - Limon, Colorado

or

Wednesday October 16 - Sterling, Colorado

Time: 08:30 am - 12:30 pm

*** The same content will be provided each day ***

Overview: This ½ day workshop designed for law enforcement agencies and emergency management agencies affiliated with law enforcement, will provide an overview of existing threats to Colorado agriculture producers, farmers and ranchers. The workshop will include presentations from the Animal Agriculture Alliance, the Federal Bureau of Investigation, and the Colorado Department of Agriculture on animal activism and animal domestic extremism activities, agroterrorism, current ag crime trends, and provide insight into critical infrastructure protection for ag support industry partners.

Target Audience: Restricted to Law enforcement personnel with government ID, and emergency management personnel affiliated with or endorsed by a law enforcement agency with ID.

Register: Registration will be through CO.Train.org Course ID #1123314

Course Manager: Dan Frazen / Dan.Frazen@state.co.us / 720-916-2804

Due to the sensitive nature of the content, attendance will be strictly limited.

Workshop location and address will be provided to registered participants.
